Tutors

Help a child excel and learn!

Tutors are needed to work with students during study hall : 5:00-6:30 p.m.

Our students have lots of homework!

You will provide one-on-one guidance and academic support.

Activities Leaders

Offer fun activities to a small group of interested students

Do you have a hobby, skill or interest to share with young people?

Share it with our students weekday afternoons

You can offer sports, music, drama, or other fun and enriching activities 2 afternoons a week

This requires planning and a six week commitment.

Mentors

Give a child the most precious gift of all: your time.

Only one hour a week is needed to make a difference in the life of a child.
