School Policy: Personal Electronics

Students are allowed to bring electronic devices (cell phones, mp3 players, game systems) to school under the condition that such items are turned into the office before convocation.

Students may pick up their electronics from the office at the end of the day.

It is important that you and your student understand that Academy Prep offers storage for items, but we are not responsible for any loss or damage.

To prevent your child from losing his or her belongings, the office staff offers the following suggestions:

- **Label all belongings** with student's full name and phone number
- **Remind your child** to pick up belongings before leaving campus
- **Unless your child needs the device for safety or company while traveling to and from school, then the device should be left at home!**

PODS Golf Tournament

Formerly the **Chrysler Golf Tournament**, Academy Prep's biggest sponsorship event is back with a new name and date, March 7th through 11th. The PODS Championship is a great way to earn a big chunk of your hours while experiencing a nationally-televised tournament and serving a great cause. A.P. volunteers will work in the ever popular air-conditioned Sweet Bay Hospitality Tent, help A.P. staff monitor students on the course, and assist in other tournament operations. **Look out for sign-up sheets to reserve your time slot!** You may also contact Amy MacKinnon by phone at ext. 129 or email, amackinnon@academyprep.org.
