

## **Academy Prep Center of Tampa Family Newsletter**

June 9, 2006, Page 1

# Summer Fun!

The summer program is off to a great start. It is exciting to see the enthusiasm from our new prospective students! This summer, students are familiarizing themselves with Academy Prep's high academic expectations as well as enjoying a few of our great extra curricular activities. Remind your student that Academy Prep seeks out students who are always performing to their highest potential and please continue to encourage him or her to demonstrate the skills learned at Academy Prep.
