School CheckIN

Beginning November 1st, all Academy Prep volunteers and visitors will log in using our new computerized *School CheckIn* system. The new system can be found in the office next to the front desk. It is user-friendly and provides volunteers with their annual hour total, weekly hour total, and daily hour total. It is extremely important to log out on this computer in order for your hours to be recorded. Logging out is also very easy. If you have any questions, please contact Amy MacKinnon at ext. 129.
