## **MORE THAN A SCHOOL**

**Academy Prep** offers middle school students and their families life changing opportunities. Providing a private, full-spectrum education for children in need from 5<sup>th</sup> to 8<sup>th</sup> grades, students attend tuition free on full scholarships provided by the local community. Students attend Academy Prep up to 11 hours a day, 6 days a week, 11 months each year. Upon graduation, students are provided eight years of graduate support services. 96% of our graduates are attending high school, college, or have begun a career.
